

Strategic Plan for DAWEG

The Division for the Advancement of Women in Engineering and Geoscience.

Vision Statement

Making Engineering and Geoscience appealing, rewarding and equitable for women so that women are attracted to and excel at all levels in our profession.

Mission

To promote, enhance and facilitate opportunities for women to succeed in engineering and geoscience.

Core Values

Professionalism

Equity

Inclusiveness

Strategic Goals

1. To celebrate the successes of women in Engineering and Geoscience.
2. To improve the career path of women in Engineering and Geoscience.
3. To increase the retention of women in Engineering and Geoscience.
4. To communicate to women in Engineering and Geoscience regarding issues and policies related to them.
5. To encourage women to consider Engineering and Geoscience as a profession.
6. To advise our communities on issues which impact on women in Engineering and Geoscience.
7. To operate in a sustainable manner (maintaining financial viability, serving the needs of members and society, and benefiting the environment).
